

MARINE CORPS BIRTHDAY CELEBRATION – HAWAIIAN STYLE

November 2017

Tim was invited by Colonel Chris Patton (AMP Fellow) to be the Guest of Honor speaker at the 242nd Marine Corps Birthday Ball on November 9, 2017, for the Marine Aircraft Group 24 in Kaneohe Bay, Hawaii. Tim accepted the invitation and as a result, we decided to organize a “Fellows Tribe” event in Hawaii. There were about 17 people in attendance which included, Tim and Sandy Day, Leslie Pellillo, several AMP and MBA Fellows and their spouses/significant others, and some close personal friends. In fact, we were thrilled that our two newest MBA Fellows, Michael LeBlanc and Lauren Bosco, were able to make the trip from Boston.

We all stayed on the base, and Tim and Sandy were honored to stay in the prestigious “President’s Cottage” which has been visited by many famous people, and boasts some of the most beautiful views of the ocean. Chris Patton and his wife Tami put together a wonderful program for us. Most of us arrived Wednesday evening on November 8, and met at the Officer’s Club for cocktails and dinner – a befitting venue while staying on base.

Thursday kicked off with a tour of the Admirals Barge in Pearl Harbor where we saw a documentary on the Pearl Harbor attack, which was followed by a visit to a photo gallery that displayed many historical photos of the attack. The group then boarded one of the boats and we visited several of the memorials in the harbor that pay tribute to the ships that were lost to the attack. The boat docked at the USS Arizona Memorial, where we were able to get off the boat and spend about 15 minutes touring the site. Later that evening we headed to a hotel in Waikiki Beach to attend the 242nd Marine Corps Birthday Ball. It was a memorable evening – it’s always a treat to see Marines in their dress blues and Tim delivered an inspiring speech that was well received by the audience.

Friday morning, the group headed to the Ulupa’U Crater for a hike. During the hike, we met with some conservationists who told us about the area and a special bird that breeds on that part of the island called the red-footed booby. We then took another shorter hike to see a hilltop artillery gun (left over from WW II)

Continued from cover page

which we did very carefully since we had to walk by and walk under hundreds of red-footed booby birds that were perched in nearby trees. Later in the day, Chris gave us a historic tour of the MAG base and some aircraft, which included seeing Ospreys, Cobras, and Drones. During the tour, we were surprised to learn that many of the hangars and runways still exist from the Pearl Harbor attack. We even saw the area (a bullet hole in a stairwell), where the first soldier was killed in WW II. In the evening, the group enjoyed a traditional Hawaiian event - a luau.

When we woke up Saturday morning – it was pouring heavy rain – so many of us bailed on taking the scheduled hike at 5:00am to see the sunrise. However, several brave people rallied and hiked the trail which turned out to be a very wet and muddy ordeal. Later in the day, we had a meeting with all the Fellows and everyone gave an update on what was going on their life. The group departed that night to head back to their respective homes.

Many thanks to Chris and Tami for organizing a memorable visit, and to the Fellows and friends that made the trip. It was such a treat to spend time together while enjoying the beautiful Hawaiian scenery.

FELLOWSHIP MARINES ON THE MOVE

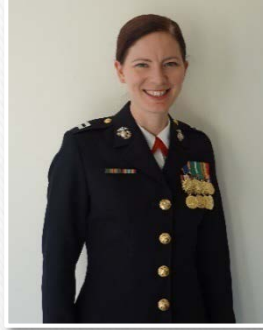

NEW HARVARD BUSINESS SCHOOL EXECUTIVE EDUCATION AND ENTREPRENEUR FELLOWSHIP RECIPIENTS

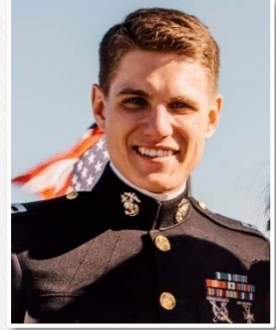

Col Christopher Tavuchis

Col Kelvin Gallman

Capt Lauren Bosco

Capt Michael LeBlanc

Fall 2017

We are pleased to announce that Colonel Christopher Tavuchis and Colonel Kelvin Gallman were selected as the twenty-first and twenty-second recipients of the Timothy T. Day Marine Corps Executive Education Fellowship at Harvard Business School, where they completed the Advanced Management Program in October.

We are also proud to announce that Captain Lauren Bosco and Captain Michael LeBlanc were selected as the eighteenth and nineteenth recipients of the Timothy T. Day Marine Corps Entrepreneur Fellowship at Harvard Business School, where they are first-year MBA students.

Pictured right: Capt. Lauren Bosco, Tim Day and Capt. Michael LeBlanc at the 242nd Marine Corps Birthday Ball, Waikiki Beach, Hawaii, November 9, 2017.

THE AMIGOS VISIT CAMP PENDLETON

October 2017

Thanks to the great hospitality of BGen Kevin Killea, Commanding General Marine Corps Installations West and Marine Corps Base Camp Pendleton, Tim and his Amigos Forum visited Camp Pendleton in October, and had the opportunity to observe current Marine operations. The trip had a very full agenda and these are some of the highlights. The group first went to MCAS Miramar and toured the flight line which included a F/A-18 Hornet, MV-22 Osprey, KC-130 Hercules and then lunched at the Officer's Club – which was an iconic setting in the movie Top Gun with the singing by "Maverick" and "Goose" of the song "You've Lost That Lovin' Feelin'." Back on Camp Pendleton, the group paid tribute to the statue of Sgt Reckless and then had dinner with LtGen Lew Craparotta and other leaders of I Marine Expeditionary Force. The next day the group visited the Infantry Immersion Trainer facility, which presents realistic situations in a scenario-based training environment; observed some live fire close combat operations by a Force Recon unit; toured the 11th Marines gun park where "Cannon Cockers" were training on 155 howitzers, mortars, and rocket launchers; and tried driving in a convoy simulator that prepares Marines to fight off attackers. The group then visited MCAS Camp Pendleton which had attack helicopters on display - AH-1Z Viper, AH-1W Super Cobra, UH-1Y Venom (Super Huey). The Amigos Forum also had some downtime, and enjoyed dining with our fellow Marines and discussing the state of affairs in today's world. Many thanks to members of the Tribe, BGen Kevin Killea and BGen Steve Sklenka, Commanding Officer of 1st Marine Logistics Group, as well as Colonel Patrick A. Gramuglia for organizing such an exciting and memorable visit.

OTHER HIGHLIGHTS

TIM DAY IS NAMED “GUEST OF HONOR” FOR THE MARINE CORPS RECRUITING STATION PHOENIX 242ND BIRTHDAY BALL

The event was held at Pointe Hilton Squaw Peak Resort in Phoenix, AZ on November 17, 2017, where Tim gave a speech to the attending Marines and their families during the ceremony.

A FINAL NOTE

On December 31, 2017, Tim stepped down as Chairman of the Board of Directors for Bar-S Foods – A Sigma Company. This milestone marked the end of Tim’s leadership of a company that spanned over three decades. Tim sent the following farewell note below to his respected colleagues that helped make his Bar-S legacy possible. His words were met with gratitude and appreciation – as many responded thanking Tim for his friendship, vision and leadership.

Dear Friends,

I think you probably know that I will be retiring as Chairman of the Board of Directors at year end – so this is my last week as a Bar-S employee after 36 years. Although I have been in a non-executive role the last five years, I have closely monitored the performance of the organization and offered a few suggestions where appropriate. The Company has faced many difficult environmental circumstances while also dealing with the complex task of completing the full integration of our business entities – yet the Bar-S Team has met these challenges with undaunted spirit and positive action. This enterprise has been my “life’s work” and will always be a major aspect of my personal legacy – and I am very proud of what our united efforts have achieved since our founding in 1981 and I am most honored to have been associated with the Bar-S Team and each of you!

As a final note, I want to thank you for your many years of dedicated service and great loyalty to our Company – and I am confident that you will help lead Bar-S toward an even brighter future!

Although I am moving onto another phase of my personal journey – Bar-S and the Team will always be in my thoughts and will continue to occupy much of my heart.

*Best wishes,
Tim*

Lulu's CORNER

Featuring Stories Of The Heart From Rescue Organizations Supported By Lulu's Fund

Lulu's Fund was a proud sponsor of National Mill Dog Rescue's annual fundraiser, "Lily's Legacy Gala." The event was held October 14, 2017, at the Cheyenne Mountain Resort in Colorado Springs. Photographed is Sandy Day with NMDR Founder, Theresa Strader.

Lily, pictured at the right, is the dog who inspired National Mill Dog Rescue. In her honor, 12,282 dogs have been saved as of October 2017.

ARIZONA HUMANE SOCIETY

November 2017

Tink and Molly were surrendered to Arizona Humane Society from the same home just two days after they gave birth. Between the two of them, these tiny 4-year-old, 8-pound female Chihuahuas gave birth to 14 puppies!

Tink and Molly are best friends and are working together to nurse all of these tiny pups. They are living in the Mutternity Suites which offers a quiet, contained place for mothers to give birth with medical supervision. Most often you'll find them sandwiched together keeping their blended family warm.

Helping people. Saving pets.

Lost Our Home Pet Rescue's Sit.Stay.Brunch 7th Annual Champagne Brunch and Auction

December 3, 2017

"The Pet Champion Excellence Award" honors a person or organization that has made an extraordinary contribution to pets in Arizona. This year's honoree was our very own Sandy Day.

Lost Our Home Pet Rescue made these comments, *"Sandy is truly an exemplar of everything this award represents illustrating both the transformative difference one pet can make in a person's life and the tremendous impact one person can make in the lives of rescue pets."*

Remembering Those Who've Gone to the Rainbow Bridge

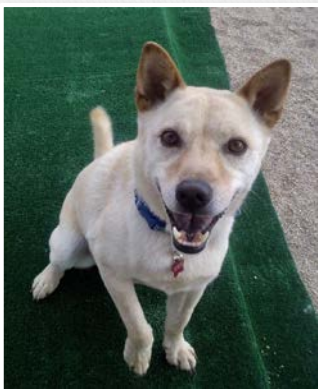

Andie

Our family office team member, Pamela Balliet, had to say goodbye to her sweet girl, Andie at the end of September 2017. Andie was only 8 years old, but lived her short life very well-loved. She is greatly missed.

Our beloved Facebook friend, Sissy Snuggles (sister of Old Man Baxter who went to the Bridge in 2016) went to the Bridge on January 11, 2017 at the age of 13. We will miss her big beautiful smile.

Sissy Snuggles

Chewy

Koko

Animal Guardian Network said goodbye to two of its residents in October, Chewy who was 12 years old, and Koko who was 15 years old. They may be gone, but they are not forgotten.
